The Kiwanis Foundation of Canada...Together We Build.

This special issue of the *FOUNDATION NEWS* is mailed to every Kiwanis member in Canada. It is complimentary from the *KIWANIS FOUNDATION OF CANADA*, and comes to each member with best wishes and hopes for a great year in *KIWANIS*.

President's Message

To my Kiwanis Friends,

As the year comes to a close I wish you a Merry Christmas, Happy Chanukah, Happy New year, or whatever celebration you and yours recognize.

The Kiwanis Family has had a successful year in supporting those needing either hands on, or financial assistance. The Kiwanis/UNICEF Eliminate world-wide service project is well under way with nearly half of the 110 million dollars pledged. You have come to the plate with your support of the Kiwanis Foundation of Canada's 1-3 Matching program. The second 250 thousand dollars is being depleted daily. This is a great statement to your commitment. The 500 thousand dollars will bring in two Million dollars and save hundreds of thousands of newborn babies from MNT.

The board of the Kiwanis Foundation of Canada has come to the aid of three disasters in recent history, the flooding in Alberta (Camp Kiwanis), the flooding in New York/New Jersey and the recent typhoon in the Philippines.

Here at home, we continue to support scholarships, programs such as Key Leader, and our other Sponsored Youth initiatives.

We at the Kiwanis Foundation of Canada could not exist without your continued support from Newfoundland to British Columbia. We have a solid team with an excellent financial advisor who has helped maintain our fund, even in these tough economic times. We have been fortunate to be the recipient of large family Legacy donations and bequeaths over the past three years.

I am happy to be in the Kiwanis family with all of you. Thank you for being you. One can make a difference, many make a bigger difference. Be proud and ask someone to join our Kiwanis family.

Yours in Kiwanis,

Kim Conrad, President

À tous mes amis du Kiwanis:

Comme la fin de l'année approche, je vous souhaite Joyeux Noël, Joyeux Chanukah, Heureuse Année, ou quelle qu'autre célébration que les vôtres et vous reconnaissent.

La Famille K a connu beaucoup de succès en soutenant les gens dans le besoin, que ce soit par la réalisation de projets ou par de l'aide financière. Le Projet mondial conjoint entre le Kiwanis et l'UNICEF, Eliminate, va bien et nous avons des promesses de dons pour presque la moitié des 110 millions auxquels nous nous sommes engagés. Vous en êtes arrivés là en profitant du programme d'appariement 1 pour 3 de la Fondation canadienne du Kiwanis. Le premier 250 000\$ s'épuise rapidement, et ceci découle de votre engagement. Et 500 000\$ se transformera en 2 millions et permettra de sauver la vie de milliers de nouveau-nés du tétanos maternel et néonatal.

Le Conseil d'administration de la Fondation canadienne est venu en aide aux victimes de trois désastres récents : l'inondation en Alberta, l'inondation à New-York/New-Jersey, et le typhon aux Philippines.

Ici, chez-nous, nous continuons d'offrir des bourses d'études et nous soutenons des programmes comme Key Leader et les autres initiatives de notre Jeunesse parrainée.

Nous, la Fondation canadienne du Kiwanis, ne pourrions exister sans votre support. Nous avons une équipe solide et sommes appuyés par un excellent conseiller financier qui nous a permis de maintenir le cap malgré les hauts et les bas de notre économie. Nous avons été chanceux de recevoir des montants importants provenant de legs et de dons au cours des trois dernières années.

Je suis heureux de faire partie de la Famille K avec vous tous. Merci d'être ce que vous êtes. Une personne peut faire une différence, mais plusieurs personnes peuvent faire que cette différence soit beaucoup plus importante. Soyez fiers, et invitez quelqu'un à se joindre à notre Famille K.

Bien vôtre au Service du Kiwanis,

Kim Conrad, président.

WELCOME NEWCOMERS TO THE KFC BOARD

We are delighted to introduce two new members to the Board of Directors of the Kiwanis Foundation of Canada, Greg Holland and Jim Scott. Jim Scott is with the Kiwanis Club of Forest City-London where he has been a member since 1988. Jim has served as president of the former London Kiwanis Club and more recently president of the Forest City-London Kiwanis Club. He is a former LG of Division 4, EC&C. Since joining Kiwanis he has been involved with the local Kiwanis Music Festival and has been Chair of the London Festival since 2000. After working with 3M for 33 years in Sales, Marketing and Human Resources, he is now self employed in a 35-year family business that his wife Bev operates in London. They have 3 adult children.

Greg has been a Kiwanis member since 1999 and is a member of the Port Alberni club on Vancouver Island. He has served two terms as Lt. Governor and one as Governor 2012-2013 of the Pacific Northwest District. He and Stormie have two sons and two grandsons. He is a geologist by profession and currently owns his own small business in Duncan BC.

NEW FORMULAS FOR GROWTH

After considerable discussion and in the interest of playing an active role in the growth of Kiwanis membership, the Board of the Kiwanis Foundation of Canada has put into place two club building grants as an incentive formula for growth. These grants will be provided upon the Foundation receiving a copy of the signed completed documentation of the new Kiwanis Club charter.

For every new adult Kiwanis Club chartered in Canada with 15 new members, the Kiwanis Foundation of Canada will:

Donate \$750 to the Sponsoring Kiwanis Club

Donate \$750 to the newly Chartered Kiwanis Club

**Donate \$100 per member above Charter Membership
(as recorded at the start of the second year) to the newly Chartered Kiwanis Club**

Existing Kiwanis Clubs, currently under Charter strength, that achieve Charter strength status by the end of this Kiwanis year, will receive \$100 for every new member up to a maximum of \$500. The grant payment will be provided once the final report is received from KI confirming the new club roster for the 2014-2015 Kiwanis year indicates a membership total of not less than 15 members.

Note: A new member is not a person who is already a member of another Kiwanis Club or transfers membership from another club.

NEW MEMBER INCENTIVE CONTEST

Every Kiwanian who sponsors a new member and completes an application card will have a ballot placed in a draw.

FIRST PRIZE: The 2014 Kiwanis International Convention for the member and guest. Includes 2 tickets, return airfare and transfers from the nearest Canadian Gateway Airport, plus convention registration, 5 nights' accommodation (1 room each) at your International District Hotel in Tokyo/Chiba, Japan and \$1500 cash for other expenses.

SECOND PRIZE: The 2014 Kiwanis District Convention for the Sponsor and Guest. Includes convention registration, return transportation and four nights' accommodation (1 room each) at your District convention hotel.

Draw ends on March 31, 2014. Winners will be notified by telephone on April 15.

Note: Prizes are not transferable and hotel accommodation for both prizes provides one room for the Winner and one room for the Guest. Applications are available from your club secretary or on the Foundation website www.kfcdn.org Completed applications must be sent to the Foundation Office on or before March 31.

HOW CAN YOUR CLUB BENEFIT FROM THE CANADIAN FOUNDATION?

- Award a \$500 Mel Osborne scholarship to an active member of your Key club at graduation – no cost to your club.
- Recognize a non-Kiwanian in your community who is making a difference in the lives of those around you. For \$350 award a Mel Osborne shadow box. This recognition also helps increase the visibility of Kiwanis in your area.
- Your contribution to the Eliminate Project is increased by \$1 for every \$3 you donate.
- Develop a youth scholarship program in your club. If you meet the criteria, the KFC will increase your contribution by matching your scholarship up to \$1000 per club per year.
- When you build a new Service Leadership Program (*K-Kids, Builders, Key Club, Aktion Club, Circle K*) the KFC offers a grant of up to \$500 for the first club sponsored or 50% of costs up to \$500 for subsequent clubs.
- When you register any number of youth in a Key Leader weekend, the Foundation funds a \$50 subsidy for each registration.
- If your club makes a donation of at least \$1000 to a Youth Program such as Boys & Girls Club, Sea Cadets, Scout Groups, etc. the Foundation will give a Youth Development Grant of \$500 to the youth group to supplement your contribution.
- Every Kiwanian in your club who sponsors a new member before March 31, has the opportunity to enter the New Member Incentive draw.
- You can recognize a dedicated Kiwanian in your club, perhaps a past president, or one who has made valuable contributions to Kiwanis at the club, division and district levels. Award this person with a Mel Osborne Fellowship available from the KFC for a contribution of \$750.
- If you continue to support your Foundation with a minimum annual contribution of \$15 per member, you will be eligible for all benefits. This comes from your Service Account.
- Any individual who makes a donation through the KFC will receive a tax receipt.

Details of all above programs can be found on the KFC website www.kfcdn.org

IF IT'S GOING TO BE, IT'S UP TO ME

In the 1998-99 Kiwanis year, our International President was a Canadian, Glen Bagnel. Glen is still a very active member of the Dartmouth Club. Glen's theme for that year, "If it's going to be, it's up to me" is still apropos today. (*IDD becomes MNT*).

If we are going to be a strong Kiwanis family,

It's up to me

to be personally involved in our Kiwanis sponsored programs.

If children are going to be our #1 priority,

It's up to me

to re-examine my Kiwanis efforts and those of my club.

If Kiwanis membership is going to grow

It's up to me

to ask someone to share the Kiwanis opportunity to serve.

If we are going to free the world's mothers and babies of MNT

It's up to me

to complete giving my fair financial share.

THE ELIMINATE PROJECT

At its semi-annual meeting during the International Convention in Vancouver, the Board of the Kiwanis Foundation of Canada voted unanimously to increase the Eliminate matching program from \$250,000 to \$500,000. That means that for every \$3 raised, the Foundation adds \$1 thus assisting Canadians in raising the first two million dollars toward the Eliminate Project goal in Canada. When all funds are matched, Kiwanis clubs in Canada will have saved and protected nearly 1,200,000 lives from maternal and neonatal tetanus.

MEL OSBORNE FELLOWS

It is indeed an honor to be inducted as a Mel Osborne Fellow. It signifies that you have been recognized by fellow Kiwanians as one who has made valuable contributions to our great organization; some at the club level, some at the division or district levels, or perhaps at all three. Some have been Mel Osborne fellows for many years. Others have joined our ranks just this year. Regardless of when one received the recognition, there is an expectation of all Mel Osborne fellows.

Each year the Foundation funds a number of Mel Osborne scholarships awarded to deserving young people who have been active members of a Key club or Circle K. In order for this program to be viable, it is expected that all Mel Osborne fellows donate \$150 annually so that the Foundation can continue to support our youth with their education. If in any year the stipulated amount is beyond your means, any contribution would be appreciated.

I, your editor, am a Mel Osborne Fellow and I again invite you to join me in making a significant contribution every year to our Foundation in support of the Mel Osborne scholarship program. Let us support the secondary education of our youth as our part of serving the children of the world.
