Kiwanis Club of Sault Ste Marie

Thanks to a grant from the Foundation, the Club chartered their first SLP Builder's Club in Sault Ste Marie on April 18, 2018. This was the first ever Builders Club created in the Division 2 in Sault Ste Marie.

This club met regularly and held 3 different service projects. A successful can food drive provided supplies to the local soup kitchen, and then at Easter the members and some of the Sault Ste Marie Kiwanians made crafts with and for seniors at one of our senior homes.

Everyone involved had such a great experience from this! The final project involved collecting clothes and hygiene products (20 garbage bags full) for our neighbourhood resource hubs that provide items to anyone in need. We finished the year off by finally presenting them with the Banner and Gavel at a Terrific Kids Presentation Day for the whole school to acknowledge.

We are already to start September with potentially 4 more Schools that have some interest!

Kiwanis Club of Brandon - Assiniboine

On August 13th, the Club presented four \$1,000 scholarships to graduating students of four high schools in Brandon and area,

Sophia King, a graduate of Elton Collegiate. She will be attending Dalhousie University in Halifax for a Science degree and then an Education degree, with the goal of teaching high school. She will also be playing volleyball.

Janice Dutchak, a graduate of Neelin High School. She will be attending Brandon University for a Science degree and Criminal Justice and then plans to go to law school.

Nico Hernando, a graduate of Vincent Massey High School. He will be attending Brandon University for Chemistry and then to University of British Columbia for Pharmacy.

Reilly Keele, a graduate of Crocus Plains Regional Secondary School. He will be attending the University of Alberta for Computer Science with the plan to work in gaming.
