The Foundation partnered with the Winnipeg Kiwanis Club to provide two grants. The first was a \$500 [Youth Grant](#) for [Rossbrooke House](#) in Winnipeg.

Created in 1976 Rossbrooke House is a neighbourhood drop-in centre, with a simple mission: “*No child who does not want to be alone, should ever have to be.*” In the decades since, it has become a safe place for children and youth to belong, play, learn and become...

It offers a constant alternative to the destructive environment of the streets by:

- Keeping the doors open 365 days of the year and 24 hours every weekend & period of school holidays.
- Recruiting its staff from the young people who come to the centre on a regular basis
- Driving participants safely home each evening

Today, over 1,000 children and youth ages 6-24 years come through the doors annually and up to 80 participants on a daily basis. Beyond being a safe place to be, Rossbrook has three alternative school programs, an afterschool homework club, young mom’s group, sports and recreational activities, Aboriginal cultural activities, leadership activities, a music program and a healthy kitchen program that provides daily meals to participants while teaching them about healthy eating and cooking.

The second \$500 grant was [Send a Child to Camp grant](#) for the [West Broadway Youth Organization](#). West Broadway Youth Organization is a drop-in recreational and life skills program for youth ages 4 and up. They provide year round, free after-school & summer programming in a safe, fun and nurturing environment.
